

Grades 3-6 Policies

Weekly Homework

Homework is given on Fridays. Homework is due Friday morning unless there is no school Friday in which case homework is due Thursday. Late work loses 5 points per day. Occasionally, students may be asked to finish class work at home. This should be returned the next day.

Test Signatures

Math, ELA, science and history tests require a parent signature. Please return the signed test to school the next day. If your student plans to make corrections, they may have the test back once the teacher sees the signature.

Test Corrections

Math, ELA, Science or Social Studies Test grades may be raised if students complete corrections. Test corrections earn back half of the points they lost. Test corrections must be turned within one week's time. Test corrections must be completed on a separate sheet of paper and attached to the original test. A failing grade requires corrections to be made, students will attend study hall if not completed on time.

Spelling: Write each missed word 10 times on the back of the original test.

Memory Verse: To raise the grade, students must write out the entire verse and return it to the teacher.

TADS Educate

This is the program WOLCA uses to post grades and report cards. Regularly, we will input grades. You are able to and encouraged to check TADS frequently for your student's grades. If you need log-in information, please contact the office.

Class Dojo

In our class we use Class Dojo for communication. Please check Class Dojo regularly. Weekly updates will be sent via Dojo Messaging. You can directly message your teachers in Dojo as well.
